Circular – 05/2025

Date: 2nd July, 2025

Dear parents,

Matter of immediate concern

With profound concern, we wish to draw your attention towards the use of ChatGPT, Almeta, Youtube and Googlebooks being extensively used by students for Home Assignments.

As we know,

- The Mental capacities and human brain development takes place when humans are engaged, mentally and physically, in a task whereas use of virtual sources in place of human brain will not make the child A Learner.
- Kindly detach students from virtual sources and force them to first engage their brains in learning.
- We will not accept any task or homework done by Students using virtual intelligence.
- It is in this regard that students have to Re-do all Assignments where they have used virtual sources.
- Kindly Co-operate with School Teachers.

Your intervention is important in your child's growth and development.

Regards

Muneer

Principal
